

## Acknowledgements

This paper contains the collective views of an international group of experts, the Reference Group to the United Nations on HIV and injecting drug use. For further information please go to: [www.idurefgroup.unsw.edu.au](http://www.idurefgroup.unsw.edu.au). The members of that Reference Group in 2007 were: Tasnim Azim, Mauro Guarinieri, Matthew Hickman, Adeeba Kamarulzaman, Kasia Malinowska-Sempruch, Fabio Mesquita, Azarakhsh Mokri, Olanrewaju Olusola Onigbogi, Fred Owiti, Samiran Panda, Steffanie A Strathdee, Fayzal Sulliman, Abdalla Toufik, Jallal Toufiq, Mark Tyndall and Lucas Wiessing (for more information see: [www.idurefgroup.unsw.edu.au/idurgweb.nsf/page/Reference%20Group](http://www.idurefgroup.unsw.edu.au/idurgweb.nsf/page/Reference%20Group)).

The Reference Group's work does not necessarily represent the decisions or the stated policies of the organisations by which those experts are employed.

The work of the Reference Group is conducted by the Secretariat, which in 2007 was based at the National Drug and Alcohol Research Centre (NDARC), University of NSW, and comprised Dr Bradley Mathers, Professor Richard P. Mattick, Professor Louisa Degenhardt, Mr Benjamin Phillips, Dr Alex Wodak, and Associate Professor Kate Dolan. For more information see: [www.idurefgroup.unsw.edu.au/IDURGWeb.nsf/page/Secretariat](http://www.idurefgroup.unsw.edu.au/IDURGWeb.nsf/page/Secretariat)

Thanks to those NDARC, University of NSW who assisted with the compilation of the literature: Gabrielle Campbell; Fiona Charlson; Eva Congreve; Laura Kemmis; Amanda Roxburgh; Natasha Sindicich; Jessica Singleton, and others who provided ongoing support in other ways.
